VOLUME 6 ISSUE 3

April 2005

Please meet the newest additions to the Children's Village in Honduras. Pictured above, left to right, are Nelson, age 3, Adonis, age 5, and Ilse age 7. They are brothers and sister. Ilse is the first young lady to join our family. Our greatest need right now is for monthly sponsors. There are 13 children to care for now and God is adding more all the time. There may be three more girls by the time this reaches you. Recently, I sent out an urgent plea for funds for beds and bedding and funds for a new stove. God graciously answered within a few days. One supporter brought me a check for almost \$4000 and told me God had laid it on his heart to do this. Several others responded financially as well. Another of our supporters said it best in his response to the news, "Wonderful news from a great God! Not that the need is over, but that the Holy Spirit is looking for people who will follow his leading, and the Kingdom on earth will explode! ...this allows kids to get off the streets, but regular monthly support is needed."

Many of you are already Monthly sponsors and supporters. Many of you give to specific needs as they arise. We thank you and may God richly bless you for your faithfulness in this. Please reach out to your family, friends and church families for Heart to Heart to help us find more sponsors. Please pray about how you, personally, can help with this. Thank you.

June Crusade Needs

Pastor Ed Miller of Modesto, CA, formerly of Castle Rock, will lead the Crusade Team to Honduras June 11 - 18. Funds for his travel need to be raised. This important work will reach two to three thousand people with the word of God. In the previous crusades, many souls were added to the Kingdom. This is our commission from Jesus to "...go and make disciples of all nations..." (Matt. 28:19) Please pray about how God would have you help with this important mission. Send your donation with a note designating it for Crusade Expenses to WWH2H, Box 372, Carson, WA 98610. The time is short and the laborers are few. Help us help the laborers to do God's bidding.

NEWS FROM THE FRONT

By Amy Serrano

There are two major stories in Honduras at the moment, construction and the beginning of the school year. First the children went back to school recently after their long winter vacation. That means that many of them were going for the first time. Since school begins at 7 am, they have to wake up at 5 am to be ready to go. This is something they do without a problem, especially our 7 new young ones that are going to school for the first time. Oscar made a deal with those who were in school last year, that if they all had 90% or better on their report cards, they would get new bikes. Three weeks ago we bought new bikes! No one made below 95%! These bikes have come in handy, as they walked to school before.

The construction is also moving along. At this time the dinning hall is completed. The boys house is completely finished and so is the clinic. The upstairs above the kitchen is done. The girls house in complete, except for windows and doors. We may have them done by the time you get this letter and have four girls living there. At the moment, we are working on the pump house for the well that now has a complete system for pumping water to the houses.

The clinic is more of a need and blessing to this area than we thought. We charge L.40 to see the nurse, which is about \$2.50, but offer our services for free for those who can't afford this. The nurse said that she is treating 25 to 30 people everyday. So far, the clinic is completely self sufficient.

This month has been about progress, a testimony of what the Lord can do when we trust and believe, and we do give glory to the Lord for it all. Thank you all for your continued prayer and support for this ministry.

Medical Team in Honduras

As this letter goes to press, the Medical team is in Honduras. Watch for their report in the next newsletter. And... please keep them in your prayers.
